Sacramento, California

Attention: Division of Licenses (Day Nursery)

Dear Miss Chickering:

Kindly send us an application form for a day nursery license (Form C1-9, June, 1941)and physical history sheets for employees and applicants for children's institutions and agencies (Form C14-Revised-May, 1941).

The Day Nursery Committee of the Lodi Coordinating Council is planning to establish a day care center for preschool children of agricultural workers this summer. We anticipate supplementing the paid director and assistant with volunteers. Will it be necessary for the paid personnel and volunteer workers to have a physical examination. Samples of other essential record forms will also be gladly accepted.

Very truly yours,

(Miss) Amy L. Boynton, Chairman,
Day Nursery Committee
